

From the Farm: What is it?

When you visit the Tennessee Agricultural Museum, you will see farm equipment, tools and household artifacts that farm families in our state once used. Many of these items will be spotlighted in hands-on activity programs.

Some exhibits depicting the rich, rural heritage of Tennessee will include: Dairy, Textiles, Planting and Harvesting, Blacksmithing, Woodworking, Horse-drawn Wagons, a Jumbo Steam Engine, McCormick Reaper, a Log Cabin Community and more.

Can you identify and write the use of the museum artifacts below?

1. A _____ was used to _____

2. A _____ was used to _____

3. A _____ was used to _____

4. A _____ was used to _____

5. Explain why the items pictured above are no longer used today.

Word List: Churn, Washboard, Plow, Spinning Wheel
